3281 E Guasti Road

Ontario 91761

The center itself is conveniently close to the region's major LA-Ontario International Airport, with all the competitive advantages it brings and the significant degree of accessibility that makes this center an obvious and highly preferable destination for corporate functions and meetings. The center is highly accessible from Los Angeles, Orange and Riverside Counties from two Interstates (10 and 15) and Highway 60, owing to the locality's fantastic regional transportation networks and their range of services.

This prestigious eight-storey tower features great views over a 40 ft high fountain and lake from its seventh-floor location. The building boasts grand formal granite lobbies, wide windows and covered parking. It is situated in the heart of the Ontario, California innovation hub within Los Angeles and the counties of Orange, San Bernardino and Riverside. Skills and talent are plentiful in an area that's home to many higher education establishments. A diverse range of companies have made this fast-growing region their home, including packaging, health insurance law enforcement products and utilities firms in the immediate vicinity.
