

Serviced Office Space USA

101 Merritt 7 Corporate Park

Norwalk 06851

This business center is in a suburban location, and provides a strategic base for wherever your business takes you. With excellent public transport links and the I-95 just a few minutes away, you can always head out to the more residential parts of Fairfield County or get downtown to New York City.

The business center proves you don't need to be in the middle of town to be at the heart of business. It's an impressive glass-fronted business premises, built to help people work efficiently in a suburban setting. In the corporate park, there's every amenity you could need, from cafés and catering to dry cleaning and a fitness center. In the surrounding area, you'll find a choice of hotels and nearby residential areas, as well as parks and green space that's the perfect place to take a break.
