

Serviced Office Space USA

2611 SW 17th Street

Topeka 66604

Just four blocks from Washburn University, these great value and competitively priced office suites provide an extremely convenient professional location in the heart of Topeka. The aim of this business center installation is to strive to help local businesses with great lease rates as well as superior customer service available on site. There are offices of all shapes and sizes, two conference rooms, an event room and ample parking for events and meetings. Different offers are available for rent concessions.

Centrally located just four blocks from Washburn University, these comfortable and highly professional office suites provide a convenient corporate location in the very heart of Topeka. The center itself strives to help clients with great rates and superior customer service as well as offering a spacious conference room, as well as event room and individual room rental. They have an event center that strives to give you everything you need to project professionalism during your conferences and meetings. Non-tenants can even reserve spare offices for as little as one hour or up to a daily, weekly or monthly basis.
