

# Serviced Office Space USA

## 122 East Main Street

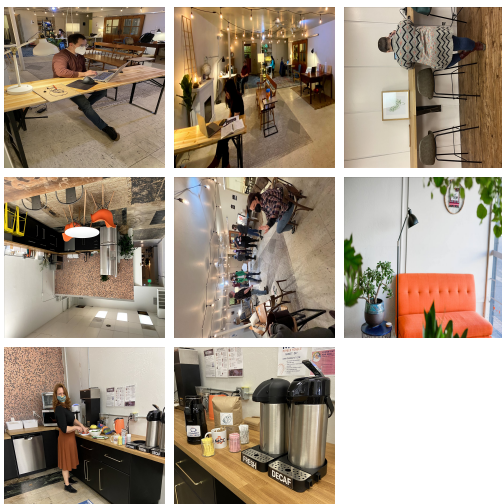

Medford 97501

Situated in the heart of downtown Medford the office space provides plenty of opportunities for clients. The office space provides great connectivity as members can reach the workspace by taxis and buses. In addition to that, receiving either international clients or domestic clients is not a hassle for the members of the office space, as the nearest airport to the workspace is at a distance of 2.9 miles from the office space and members only require a drive of 15 minutes to reach to the Rogue Valley International Medford Airport.

The office space is designed as a coworking space. The office space provides desks, super fast internet, conference rooms with flexible membership plans, and daily rates that fit the client's needs. In the bright and well-lit office space, members will enjoy bottomless craft coffee, and a variety of productivity zones to help get things done. The office space has ample seating in a variety of workspaces as well as standing desk solutions if members need a bit of a change. Whether the client is a small business owner, entrepreneur, freelancer, or an individual just looking for an office to rent, this coworking office space offers the place needed to thrive.
