

Serviced Office Space USA

221 East Indianola Avenue

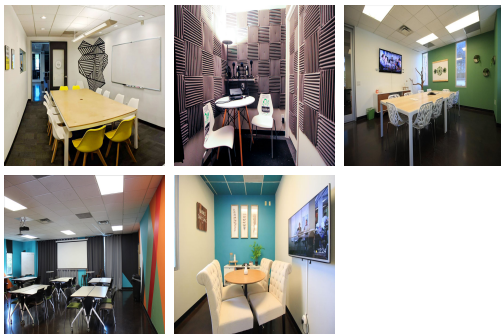

Phoenix 85012

The building is located in central Phoenix, Arizona. The workspace has parking available underneath the building. The transport links in the area are excellent with buses and taxis readily available. Phoenix Sky Harbor International Airport is also situated nearby, making transport to and from the area straightforward. There are a number of businesses in the vicinity of the office space, as well as a selection of restaurants and cafes. This makes the location an ideal workspace for working in central Phoenix.

The office space is designed to nurture entrepreneurialism and generate growth. It is an excellent choice for startups, small businesses, and freelancers. The high-speed internet, elegant design, 24-hour access, air-conditioning, and reception are some features that make the workspace an ideal working place. In addition, the office space offers a range of facilities and services that can help businesses to grow and succeed. These include meeting rooms, event space, and a business lounge. With everything the office space offers, it is no wonder it is such a popular choice for businesses of all sizes.
